Dear Patients and Friends,

This note is to let you know that Cindy (my wife and hygienist) and I will be retiring at the end of this year. To say it has been an amazing pleasure to take care of you all would be an understatement. You have taken great care of us during our careers, and we thank you for allowing us to have taken care of you. Your trust, your confidence in us, and your friendship has meant more than you will ever know.

Dr. Paola Arcila is now the owner of the practice. With that being said, I would ask that you extend to both Dr. Arcila and Dr. Heron the same trust that you gave to me. Both Dr. Arcila and Dr. Heron are amazing clinicians. They have both worked on my teeth and will continue to take care of me and my family. Their integrity, honesty and dedication to dentistry and this practice will ensure that everything will continue as we have planned. Dr. Arcila has been practicing for 10 years, and Dr. Heron for 24 years.

Cindy and I are not going anywhere. We will still be a part of the community. I will always be available to either Dr. Arcila or Dr. Heron should they have any questions, but I doubt that they will ever need me. Dr. Arcila is a graduate of the Pankey Institute for post graduate education. She will be pursuing her accreditation with the American Academy of Cosmetic Dentistry, and I will be her mentor through that process.

Often I have heard patients say, "if I can't see Dr. Wright, I will just go somewhere else". As flattering as that is, I would ask that you trust who I trust with my personal care. Believe it or not, I do not do my own dentistry. My family and I will continue to be patients of Dr. Arcila and Dr. Heron. I can't give a stronger endorsement.

It's a little weird, and a little bittersweet to be writing this, but it is also time for Cindy and I to have some time for us. I know that we won't be able to say thank you to each of you in person, so let this letter say that for us.

Sincerely,

Gregory B. Wright DDS, PA
